

# **The First Time**

Words and music by: Ashley Kershner

## **Verse 1**

          C                  G/B  
Your face  Your eyes  
          Am                  F  
My tears  Your smile  
          C                  G/B  
Your hand took mine  
          Am                  F  
The invitation  to life

## **Chorus**

                          Am          /G  
I remember the first time I saw You  
          F                  C  
The first time I felt You  
                          Am  
I remember the first time  
/G                          F  
You called out for me  
                          Am          /G  
I remember the first time in Your embrace  
          F                  C  
The first time face to face  
                          Am  
I remember the first time  
          /G                          F  
I surrendered my heart to You

## **Verse 2**

Your grace Your touch  
Brought me near lifted up  
Washed clean in the blood  
I've been awakened by Your love
