Yes I Love You

Words and music by: Mark Hendrickson

Verse 1

```
        Em 7                    Bm7
There's no love so rare as the love of my Lord
      Am7         C/D   G
You hold me so tenderly
      Em7                  Bm7
You soften my heart and melt away fears
Am7             Bm7
Drawing me in closer each day
C2                    C/D
Into Your heart until gladly I say
```

Chorus

```
       G4  G    E4  Em7
Yes I love You Jesus
         Am7             C/D
You've won my heart again
       G4  G   E4  Em7
Yes I love you Jesus
Am7
I am Yours
Bm7
Forevermore
C2
Whatever You say
     C/D               G2
I am in Your arms to stay
```

Verse 2

I was searching for You by night and by day
Looking for the One that I love
When Your fragrance
Like costly perfume on the wind
Carried me in to Your chambers of love
Lifted me up to the heavens above
